## Installation Notes

When mounting the enclosure on a wall, ensure that the push button tabs on the side of the cover are accessible. The supplied 'dark coloured' tab labels are intended for use on the enclosure as supplied. If the enclosure is painted a darker colour, use the supplied 'light coloured' tab labels.

The L5501RBCP clicks into place when pressed into the enclosure base. Ensure you mount the unit with its label outwards (refer to the illustration).

Lift the clasp back from the L5501RBCP to remove the unit from the enclosure base.
